Dear Dr. and Mrs. Razdolsky:

Greetings from the University of Illinois at Chicago College of Dentistry!

Thank you for being one of the College's most important benefactors. Your annual support provides the margin of excellence that allows the College to continue in its pursuit of excellence in dental education, path-breaking research, and patient care services.

The UIC College of Dentistry is proud to say that it is educating "the New Dentist for America." These are a new generation of dental students who not only want successful careers—they want their careers to make a difference in America. They have a strong commitment to professional ethics and to be life-long learners and they are committed to solving the disparities in access to oral healthcare.

Our most important benefactors receive a copy of our newsletter *Word of Mouth* every two months. In this way, you can keep up with the latest news about the College on a regular basis. You'll learn about new research initiatives, curriculum changes, new faculty, and much more.

Dr. and Mrs. Razdolsky, thank you for your continuing commitment to the UIC College of Dentistry. You truly rank among our most generous benefactors and among the College's best friends as well. I'm pleased that you will be able to follow our improvements as they happen through reading *Word of Mouth*.

With warm regards,

Bruce S. Graham, DDS, MS, MEd
Dean

PS.: If you do not wish to receive *Word of Mouth*, please contact Ana Lisa Ogbac at (312) 996-0485 or by emailing her at aogbac1@uic.edu to let her know, and you will be taken off the list.

Dear Dr. Razdolsky:

Greetings from the University of Illinois at Chicago College of Dentistry! I see we ran an Alumni News Notes item about you in our most recent issue of the College's *Vision* magazine, which mentions that you added our UIC Dental Alumni Board President, Dr. Kapil Vij, to your practice. I just wanted to send you this note of congratulations.

As Dean, I am always pleased to hear about the achievements of our alumni and their families. The activities and life milestones of you and your fellow alumni continually validate that the University of Illinois at Chicago College of Dentistry is one of the finest dental schools in the world.

I hope you will consider attending the College's Clinic and Research Day on Wednesday, Feb. 3, 2010, and the College's Reunion on Friday, April 23, 2010, which will be your Class of 1985's 25th anniversary. Dr. Vij also will receive the President's Leadership Award at that Reunion. For more information, call Ana Lisa Ogbac at (312) 996-0485.

Best wishes to you in all of your endeavors.

With warm regards,

Bruce S. Graham, DDS, MS, MEd, Dean
